

# SUPER SONIC FD 9 ALFALFA

## Top Yields in the Desert!

Super Sonic alfalfa is the latest dormancy 9 alfalfa from Fertizona. Developed for high yields in a variety of soils, it combines heat tolerance with strong persistence to give growers the yields they need for a profitable stand. Backed by years of research and development, Super Sonic is shown to be a top yielder in Arizona and New Mexico trials.

**Adapted to Southern  
California, Arizona  
and New Mexico**

**Yields under high  
temperatures**

**Persistent in later  
years**

**High yielder in  
University Trials**
