

TALIA FD 8 ALFALFA

Strong Aphid Resistance!

Talia resists all three major species of aphids varieties. In addition Talia produces high quality forage cut after cut. As stands age, Talia shows extra strength and added persistence. Multiple pest resistance make Talia a great choice for your farm. Talia is used extensively in the major non-dormant growing areas of the world.

High Yields all year long

Resists Summer Slump

Persistent in heavy clay soils

Yields at the top of the pack, year after year
