

VULCAN FD 9 ALFALFA

Durable in the Desert!

Vulcan alfalfa is the latest dormancy 9 alfalfa from Farm Best Brand seed. Developed for high yields in a variety of soils, it combines heat tolerance with strong persistence to give growers the yields they need for a profitable stand. Backed by years of research and development, Vulcan is sure to be a winner on your ranch.

Adapted to Southern California, Arizona and New Mexico

Yields under high temperatures

Persistent in later years

High yielder in University Trials
